*A Bill to amend Act 7 of 1864 passed by the Lieutenant-Governor of Bengal in Council (An Act for regulating Hackney Carriages and Palankeens in the Town and Suburbs of Calcutta.)*

WHEREAS it is expedient to amend the Law regulating Hackney Carriages and Palankeens in the Town and Suburbs of Calcutta: It is enacted as follows:—

I. Sections 6, 11, 12, 15, 18, 26, 35, and 43 of Act 1 of 1864 passed by the Lieutenant-Governor of Bengal in Council, are

hereby repealed, and Section 30, Clause 1, of the said Act, so far as it relates to the wearing of a ticket, shall not be applicable to the driver of any Hackney Carriage of the first Class.

II. The year of registration shall commence on the first day of March of each year and every registration made on any date within such year of registration shall be in force to the end thereof and no longer. Any person wishing within the year to use as a Hackney Carriage a Carriage not so in use on the last preceding day of annual registration, may have such carriage registered on application to the Registering Officer. When any registered Carriage is transferred within the year, it shall be registered anew in the name of the person to whom it has been transferred.

III. As often as any registered owner or licensed driver of a Carriage registered under the said Act I of 1864 shall change his residence, he shall give notice thereof in writing signed by him to the Registering Officer, specifying in such notice his new residence.

Every registered owner or licensed driver who shall change his residence and shall neglect for one week to give notice of such change, shall be liable to a penalty not exceeding twenty Rupees.

IV. On the expiration of each year of registration the owner of any Carriage registered as aforesaid shall cause the plate of such Carriage, affixed under

Section 7 of the said Act I of 1864, to be delivered to the Registering Officer; and any person who, after the expiration of the period aforesaid, shall wilfully neglect for three days to deliver the plate to the said Officer, and every person who shall use or detain any plate affixed in respect of a registration which is no longer in force, shall, for every such offence, be liable to a penalty not exceeding one hundred Rupees. Every person who shall, for the purpose of deception, use or have any plate resembling or intended to resemble any plate affixed under this Act shall, for every such offence be liable to a penalty not exceeding two hundred Rupees. It shall be lawful for the Registering Officer, or for any person employed by him for that purpose, to prosecute any person so neglecting to deliver up a plate at any time within twelve calendar months after the expiration of the registration in respect of which such plate was affixed; and it shall be lawful for any Police Officer, or any person employed for that purpose by the Registering Officer, to seize and take away any such plate, or any plate used for the purpose of deception as aforesaid, wheresoever the same may be found, and to deliver the same to the Registering Officer.

V. For every license to act as Driver granted under this Act a fee of two Rupees shall be paid, and the Registering Officer shall, at the time of granting any license, deliver to every driver of a Hackney Carriage of the second or third Class to whom the same may be granted a metal ticket upon which shall be marked or engraved his employment, and a number corresponding with the number which shall be inserted in the license.

The Driver to whom such ticket is delivered shall at all times, while acting as such Driver, or while attending before any Magistrate, carry such ticket exposed to view.

VI. The particulars of every license which shall be granted as aforesaid shall be entered in books to be kept for that purpose at the Office of the said Registering Officer; and every person, applying at all reasonable times, shall be furnished with a certified copy of the particulars respecting any licensed person or respecting any registered Carriage on payment of a fee of two annas for each copy.

VII. It shall be lawful for the Registering Officer to cancel the registration of any Carriage the owner of which shall, without reasonable excuse, neglect to comply with the provisions of Section 22 of the said Act I of 1864. The negligence of the agent or servant of such owner shall not be deemed a reasonable excuse.

VIII. Any person who shall maliciously or knowingly tear, destroy, or remove any table of fares which shall have been put up under the provisions of the Section last aforesaid, shall be liable on conviction to a fine not exceeding twenty Rupees, and any portion of such last-mentioned fine may be awarded to the owner of the Hackney Carriage to which such table of fares shall have been affixed.

IX. Any owner or person in charge of any Hackney Carriage registered under this Act who shall, without sufficient reason, refuse to let such Carriage for hire at the fares specified for the hire of the same under this Act, shall, provided the amount of such fare shall have been tendered to him in cash at the time, be liable on conviction to a fine not exceeding fifty Rupees, and to pay such further sum by way of compensation to the prosecutor as to the Magistrate who shall hear the case may seem just, and such further sum shall, in default of immediate payment, be levied in the mode provided for the levying of fines under the said Act I of 1864.

X. In case of any dispute between the hirer and driver of any Hackney Carriage of the second or third Class registered under the said Act I of 1864, the hirer may, if any Magistrate be then sitting, require the driver to drive to the Court of such Magistrate, and such Magistrate shall hear and determine the dispute in a summary way.

XI. It shall not be lawful for any person to act as the bearer of a registered Palankeen unless such person shall have obtained a license from the Registering Officer in the mode prescribed for drivers of Hackney Carriages under the provisions of the said Act I of 1864 and of this Act, and all the provisions of the said Acts in regard to the grant of such licenses to the drivers of Hackney Carriages, and the registration of the same, shall be applicable to the bearers of Palankeens. For every license to act as a Palankeen bearer, granted under this Act, a fee of eight annas shall be paid, and the Registering Officer shall deliver a ticket under the conditions prescribed by Section 5 of this Act.

XII. The bearers of every Palankeen registered under this Act shall (unless they have a reasonable excuse to be allowed by the Magistrate before whom the matter shall be brought in question) carry such Palankeen to any place to which they shall be required by the hirer thereof to carry the same, not exceeding five miles from the place where the same shall have been hired; provided always that, when such Palankeen shall have been hired by time, the bearers thereof may be required to carry it at any rate not exceeding two and a half miles within one hour; and, if the bearers of such Palankeen shall be required to carry it more than two and a half miles within one hour, then, in every such case, they shall be entitled to demand, in addition to the fare regulated by time in Schedule (B) annexed to the said Act I of 1864, for every mile or any part thereof exceeding two and a half miles, the fare regulated by distance as set forth in the same Schedule. All the provisions contained in the said Act I of 1864 or in this Act as to offences committed by or against the owners and drivers of Hackney Carriages shall, save as is otherwise expressly provided, be applicable, so far as the same may reasonably be applied, to the owners and bearers of Palankeens.

XIII. It shall be lawful for the Lieutenant-Governor of Bengal, by a notification to be published in the Calcutta Gazette, to extend the provisions of the said Act I of 1864 and of this Act to the Station of Howrah and to any other towns or places within the Provinces under his control.

XIV. This Act shall be read with, and taken as part of, the said Act I of 1864.

#### STATEMENT OF OBJECTS AND REASONS.

UNDER the provisions of the Hackney Carriage Act, the refusal to let a registered Hackney Carriage or Palankeen for hire, at the fares specified therein, is made punishable by fine on conviction before a Magistrate.

It has been found that, notwithstanding this penalty, the owners or persons in charge of these conveyances, relying on the known unwillingness of persons to spend time and trouble in the prosecution of cases of refusal to let for hire at the authorized rates, too frequently disregard the provisions of the law, and practically exact their own terms from the hirers.

The unwillingness to prosecute in these cases may be in great measure attributed to the want of any compensatory provision, for the trouble and loss of time entailed by such prosecution, corresponding to that which the law contains in regard to prosecutions by owners of registered conveyances for the recovery of their lawful fares.

It has also been thought that there should be a complete registration of Palankeen bearers, as well as of drivers of Hackney Carriages, which is not provided for in the Act.

The existing Law also, whilst it makes offences by the owners and bearers of Palankeens liable to be punished in the same way as offences by the owners and drivers of Hackney Carriages, gives no corresponding special remedy to the former class in regard to offences committed against them.

The present Bill aims at remedying these and other minor defects and omissions which the experience of the working of the Act during the past year has brought to notice, and provides also for the extension of the Law to other towns and places in which its operation may seem to be called for.

Read Extract, Military Department, No. 844, dated 20th November 1865, forwarding for consideration a letter, with enclosures, from the Controller-General of Military Expenditure, regarding a claim to passage money from Kurrachee to Bombay preferred by Captain F. T. Ross, of the Staff Corps, a Deputy Collector in Scinde.

**RESOLUTION.**—The Governor General in Council is pleased to lay down the following rule in regard to the provision of free passage for public Officers in the Civil Department:—

All Officers in Civil employ, whether Civil or Military, Covenanted or Uncovenanted, will be allowed a free passage when proceeding on duty by sea on the conditions on which they would draw travelling allowance if proceeding on duty by land. The cost of both Cabin and Table accommodation will be borne by Government, who will recover from Officers on salaries exceeding Rupees 600 a month, Rupees 8 per diem (i. e., the full rate of table money on Government sea-going vessels), and from those on salaries of Rupees 600 and less,

Rupees 4 per diem, on account of their table, for the number of days occupied in the passage on a Government or a private vessel.

Ordered, that the foregoing Resolution be published in the *Gazette of India*, and that copies of it be forwarded to the Military Department, with the original enclosures of the Extract from that Department above referred to, and to the—

## GENERAL DEPARTMENT.

Dated the 1st May 1865.

*Notification.*—The following Tea plantations and factories in Kumaon and the Deyrah Dhoon are offered for sale at the upset prices specified:—

1. Hawul Bagh in Kumaon, forty-six miles from the plains, and six miles from Almorah. The plantations (including the two small nurseries, *viz.*, Kupeena and Lutchmaissur, in the immediate neighbourhood of Almorah) consist of about one hundred acres of land planted with Tea. At a short distance from the plantations there is a Cheer (*Pinus longifolia*) forest of about 100 acres in extent, in which the purchaser will have the right to cut timber, which is well fitted for making Tea chests, firewood, &c.

There are on the estate three large slated houses; numerous slated offices; a large slated factory; two large slated godowns; a slated barrack for Chinese Tea manufacturers; and the stock and block of the factory are complete for Tea operations and in working order.

2. Ayar Toli in Kuttipoor, Kumaon, distant about 80 miles from the plains, and about 40 miles from Almorah.

There are on the estate a slated factory and a large slated godown; slated barracks for Chinese Tea manufacturers, &c., and the stock and block of the factory are complete for the Tea operations and in working order.

This plantation consists of about 1,300 acres of land, of which about 360 acres are planted with Tea, two hundred acres of cleared land fitted for Tea-planting, and the remainder covered with pines, &c., forests, the timber of which is well adapted for making Tea chests, &c.

The yield of the two estates this season was lbs. 20,000 of Tea and 1,650 maunds of seeds.

These two estates will be sold in one lot in fee-simple, free of all demands, on account of Land Revenue, exclusive of existing local cesses, such as Road, Educational, and Postal cesses, or such as may be hereafter legally imposed, at an upset price of Rupees 2,00,000 (two lacs of Rupees.)

A small portion of the plantation of Ayar Toli named Bincolie, belonging to the temple of Nagnath, will bear an annual rental of Rupees 24 (twenty-four Rupees) per annum.

This land is leased in perpetuity from the temple of Nagnath on this rental.

3. Kowlaghir in the Deyrah Dhoon, distant two miles to the west of the Town of Deyrah. It consists of about 430 acres of land, of which about 380 acres are under cultivation with Tea, and the remainder adapted for Tea cultivation.

Through the property a branch of the Bejjapore canal runs. At a short distance and to the south of the plantation there is a Forest of Syne, Jamune, &c., consisting of about 500 (five hundred) acres, in which the purchaser will have the right to cut timber for Tea chests, firewood, charcoal, &c. The timber is well fitted for making Tea chests.

There are on the estate three bungalows; an extensive pukka Tea factory; two large pukka godowns; a barrack for Chinese Tea manufacturers, &c., and the stock and block of the factory are complete and in full working order.

The yield this season was lbs. 25,099 of Tea, and 1,050 maunds of seeds.

This estate will be sold in fee-simple free of all demands on account of Land Revenue, exclusive of existing local cesses for roads, &c., or such as may hereafter be legally imposed, at an upset price of Rupees 2,00,000 (two lacs of Rupees.) The plantations will be transferred to the purchasers on the 1st April 1866, on or before which date the purchase money must be paid at the General Treasury, Calcutta.

Tenders will be received by William Jameson, Esquire, Superintendent, Botanical Gardens, North-Western Provinces, Saharunpore, until 1st March 1866, if the factories, &c., be not previously sold by private sale, and the highest offer above the upset price will be accepted.

All tenders must be made in writing.

Every tender should be superscribed—"Tender for Tea plantation," and will be registered by the Superintendent of the Botanical Gardens on the date of receipt in a book, which he will keep, together with the tenders, in his own custody under lock and key.

The highest registered tender at the time being for any lot will be communicated by the Superintendent to any enquirers up to the time of sale, but the names of the parties who have tendered shall in no case be disclosed.

The register of tenders will be examined at noon, on the 1st March 1866, by a Committee consisting of the Superintendent, Botanical Gardens, the Judge, and the Collector of Saharunpore, at the Office of the Superintendent, and in the presence of all parties who may attend; and the amount of the highest tender for each lot, or, if there be more than one tender of equal amount, the number and amount of such tenders, but not the names of the parties tendering, will be publicly declared, and the highest tender, in writing, above the upset price at 4 p. m., will be accepted on the part of Government by the Committee.

On the tender being accepted by the Committee the purchaser must deposit five per cent. of the purchase money, which will be forfeited if the amount of the purchase money be not paid in full on the date specified.

Agents must be supplied by their principals with sufficient Powers-of-Attorney.

The above particulars are believed, in good faith, to be correct, but intending purchasers must make their own enquiries, as no reclamation can be listened to after sale.

References may be made to W. Jameson, Esquire, Superintendent, Government Botanical Gardens, Saharunpore.

By Order of the Hon'ble the Lieutenant-Governor of the North-Western Provinces,

R. SIMSON,

Secretary to the Government of the

Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Bank of Bengal Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'clock in the afternoon of the fifth day after the sale, or on the

other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever, attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Bank of Bengal Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the fifth day following the day of sale, will be afterwards accepted.

8. The Opium now advertised for sale shall be paid for within fifteen clear days from the day of sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time, and in such manner, as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10. No deposit of Public Securities under the fifth of the present condition will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual unless such individual shall, on demand, tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities a sum equal to the amount for which a Promissory Note would otherwise be taken under the fifth of these conditions.

12. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the Officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 800 Rupees specified in the second of these conditions.

13. The purchaser of any lot shall have the option of naming and purchasing in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for sale.

No. 2.—Report of the examination of such Opium.

16. The Public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1864-65, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue.

17. Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred on reference to chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the twelve sales of the year 1866, there shall be delivered to them at the average of the particular sale or sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of Opium required by them at any particular sale within thirty days from the advertisement of such intended sale; provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. 59. Upon the conclusion of the examination, the Inspectors shall report their opinions to the Local Government in Council. Such report shall be written or printed

All expenses of, and incidental to, any such examination as aforesaid shall be defrayed by the members upon whose application the Inspectors were appointed, unless the Local Government shall direct the same to be paid out of the assets of the Company, which the Local Government is hereby authorized to do.

60. Any Company under this Act may by a special resolution appoint Inspectors for the purpose of examining into the affairs of the Company. The Inspectors so appointed shall have the same powers and perform the same duties as Inspectors appointed by the Local Government, with this exception that, instead of making their report to the Local Government, they shall make the same in such manner and to such persons as the Company in general meeting directs. The Officers and Agents of the Company shall incur the same penalties in case of any refusal to produce any book or document hereby required to be produced to such Inspectors, or to answer any question as they would have incurred if such Inspector had been appointed by the Local Government.

61. A copy of the report of any Inspectors appointed under this Act, authenticated by the seal of the Company into whose affairs they have made inspection, shall be admissible in any legal proceeding as evidence of the opinion of the Inspectors in relation to any matter contained in such report.

63. Any document to be served by post on the Company shall be posted in such time as to admit of its being delivered in the due course of delivery within the period (if any) prescribed for the service thereof, and in proving service of such document it shall be sufficient to prove that such document was properly directed and that it was put as a registered letter into the Post Office.

64. 67. Where a limited Company is plaintiff in any suit, any Judge having jurisdiction in the matter may, if it appears, by any credible testimony, that there is reason to believe that, if the defendant be successful in his defence, the assets of the Company will be insufficient to pay his costs, require sufficient security to be given for such costs, and may stay all proceedings until such security is given.

68. In any suit brought by the Company against any member to recover any call or other monies due from such member in his character of member, it shall be sufficient to allege that the defendant is a member of the Company, and is indebted to the Company in respect of a call made or other monies due whereby a suit has accrued to the Company.

69. The forms set forth in the second Schedule hereto, or forms as near thereto as circumstances admit, shall be used in all matters to which such forms refer. The Governor General of India in Council may from time to time make such alterations in the Tables and forms contained in the first Schedule hereto, so that he does not increase the amount of fees payable to the Registrar in the said Schedule mentioned, and in the forms in the

second Schedule, or make such additions to the last-mentioned forms as he deems requisite. Any such Table or form, when altered, shall be published in the *Gazette of India*, and upon such publication being made, such Table or form shall have the same force as if it were included in the Schedule to this Act; but no alteration made by the Governor General of India in Council in the Table marked A contained in the first Schedule shall affect any Company registered prior to the date of such alteration, or repeal, as respects such Company, any portion of such Table.

*Arbitrations.*

Any Company under this Act may from time to time, by writing under its common seal, agree to refer and may refer to arbitration any matter whatsoever in dispute between itself and any other Company or person; and the Companies parties to the arbitration may delegate to the person or persons to whom the reference is made power to settle any terms or to determine any matter capable of being lawfully settled or determined by the Companies themselves, or by the Directors or other managing body of such Companies.

71. The Companies jointly but not otherwise, from time to time, by writing under their respective common seals, may add to, alter, or revoke any agreement for reference in accordance with this Act theretofore entered into between the Companies, or any of the terms, conditions, or stipulations thereof.

72. Every reference or agreement in accordance with this Act, except so far as it is from time to time revoked or modified in accordance with this Act, shall bind the Companies, and may and shall be carried into full effect.

73. Where the Companies agree, the reference shall be made to a single Arbitrator.

74. Except where the Companies agree that the reference shall be made to a single Arbitrator, the reference shall be made as follows; to wit—

Where there are two Companies, the reference shall be made to two Arbitrators.

Where there are three or more Companies, the reference shall be made to so many Arbitrators as there are Companies.

75. Where there are to be two or more Arbitrators, every Company shall, by writing under their common seal, appoint one of the Arbitrators, and shall give notice in writing thereof to the other Company or Companies.

76. Where there are to be two or more Arbitrators, if any of the Companies fail to appoint an Arbitrator within fourteen days after being thereunto requested in writing by the other Company, or by the other Companies or any of them, then, on the application of the Companies or any of them, the Local Government, instead of the Company so failing to appoint an Arbitrator, may appoint an Arbitrator, and the Arbitrator so appointed shall,

for the purposes of this Act, be deemed to be appointed by the Company so failing.

77. When the reference is made to two or more Arbitrators, if before the matters referred to them are determined any Arbitrator dies, or becomes incapable or unfit, or for seven consecutive days fails to act as Arbitrator, the Company by which he was appointed shall, by writing under their common seal, appoint an Arbitrator in his place.

78. Where the Company by which an Arbitrator ought to be appointed in the place of the Arbitrator so deceased, incapable, unfit, or failing to act, fails to make the appointment within fourteen days after being thereunto requested in writing by the other Company, or by the other Companies, or any of them, then, on the application of the Companies or any of them, the Local Government may appoint an Arbitrator, and the Arbitrator so appointed shall, for the purposes of this Act, be deemed to be appointed by the Company so failing.

79. When any appointment of an Arbitrator is made, the Company making the appointment shall have no power to revoke the appointment without the previous consent in writing of the other Company, or every other Company in writing under their common seal.

80. Where two or more Arbitrators are appointed, they shall, before entering on the business of the reference, appoint by writing under their hands an impartial and qualified person to be their Umpire.

81. If the Arbitrators do not appoint an Umpire within seven days after the reference is made to the Arbitrators, then, on the application of the Companies, or any of them, the Local Government may appoint an Umpire, and the Umpire so appointed shall, for the purposes of this Act, be deemed to be appointed by the Arbitrators.

82. Where two or more Arbitrators are appointed, if before the matters referred to them are determined their Umpire dies, or becomes incapable or unfit, or for seven consecutive days fails to act as Umpire, the Arbitrators shall by writing under their hands appoint an impartial and qualified person to be their Umpire in his place.

83. If the Arbitrators fail to appoint an Umpire within seven days after notice in writing to them of the decease, incapacity, unfitness, or failure to act of their Umpire, then, on the application of the Companies, or any of them, the Local Government may appoint an Umpire, and the Umpire so appointed shall, for the purposes of this Act, be deemed to be appointed by the Arbitrators so failing.

84. Every Arbitrator appointed in the place of a preceding Arbitrator, and every Umpire appointed in the place of a preceding Umpire, shall res-

pectively have the like powers and authorities as his respective predecessor.

85. Where there are two or more Arbitrators, if they do not within such a time as the Companies agree on, or, failing such agreement, within thirty days next after the reference is made to the Arbitrators, agree on their award thereon, then the matters referred to them, or such of those matters as are not then determined, shall stand referred to their Umpire.

86. The Arbitrator, and the Arbitrators, and the Umpire, respectively, may call for the production of any documents or evidence in the possession or power of the Companies respectively, or which they respectively can produce, and which the Arbitrator, or the Arbitrators, or the Umpire shall think necessary for determining the matters referred, and may examine the witnesses of the Companies respectively on oath or affirmation, and may administer the requisite oath or affirmation.

87. Except where and as the Companies otherwise agree, the Arbitrator, and the Arbitrators, and the Umpire respectively may proceed in the business of the reference in such manner as he and they respectively shall think fit.

88. The Arbitrator, and the Arbitrators, and the Umpire respectively may proceed in the absence of all or any of the Companies in every case in which, after giving notice in that behalf to the Companies respectively, the Arbitrator, or the Arbitrators, or the Umpire shall think fit so to proceed.

89. The Arbitrator, and the Arbitrators, and the Umpire respectively may, if he and they respectively think fit, make several awards, each on part of the matters referred, instead of one award on all the matters referred, and every such award on part of the matters shall for such time as shall be stated in the award, the same being such as shall have been specified in the agreement for arbitration, or in the event of no time having been so specified, for any time which the Arbitrator may be legally entitled to fix, be binding as to all the matters to which it extends, and if the matters awarded on were all the matters referred, and that notwithstanding the other matters or any of them be not then or thereafter awarded on.

90. The award of the Arbitrator, or of the Arbitrators, or of the Umpire, if made in writing under his or their respective hand or hands, and ready to be delivered to the Companies within such a time as the Companies agree on, or failing such agreement, within thirty days next after the matters in difference are referred to (as the case may be) the Arbitrator, or the Arbitrators, or the Umpire, shall be binding and conclusive on all the Companies.

91. Provided always that (except where and as the Companies otherwise agree) the Umpire, from time to time by writing under his hand, may extend the period within which his award is to be made, and if it be made and ready to be delivered within

94. Full effect shall be given by the Courts according to their respective jurisdiction, and by the Companies respectively, and otherwise, to all agreements, references, arbitrations, and awards in accordance with this Act; and the performance or observance thereof may, where the Courts think fit, be compelled by any process against the Companies respectively or their respective property that the Courts or any Judge thereof shall direct and, where requisite, frame for the purpose.

times when calls are made, as hereinafter mentioned, for enforcing such liability; and it shall be lawful, in the case of the insolvency of any contributory, to prove against his estate the estimated value of his liability to future calls as well as calls already made.

100. If any contributory dies either before or after he has been placed on the list of contributories hereinafter mentioned, his personal representatives, heirs, and devisees shall be liable, in a due course of administration, to contribute to the assets of the Company in discharge of the liability of such deceased contributory, and such personal representatives, heirs, and devisees shall be deemed to be contributories accordingly.

101. If any contributory becomes insolvent, either before or after he has been placed on the list of contributories, his assignees shall be deemed to represent such insolvent for all the purposes of the winding up, and shall be deemed to be contributories accordingly, and may be called upon to admit to prove against the estate of such insolvent, or otherwise to allow to be paid out of his assets in due course of law, any monies due from such insolvent in respect of his liability to contribute to the assets of the Company being wound up.

###### *Winding up by Court.*

102. A Company under this Act may be wound up by the Court as hereinafter defined under the following circumstances; (that is to say)—

Circumstances under which Company may be wound up by Court.

(1.) Whenever the Company has passed a special resolution requiring the Company to be wound up by the Court:

(2.) Whenever the Company does not commence its business within a year from its incorporation, or suspends its business for the space of a whole year:

(3.) Whenever the members are reduced in number to less than seven:

(4.) Whenever the Company is unable to pay its debts:

(5.) Whenever the Court is of opinion that it is just and equitable that the Company should be wound up.

103. A Company under this Act shall be deemed to be unable to pay its debts—

Company when deemed unable to pay its debts.

(1.) Whenever a creditor, by assignment or otherwise to whom the Company is indebted in a sum exceeding five hundred Rupees then due, has served on the Company, by leaving the same at their registered Office, a demand under his hand requiring the Company to pay the sum so due, and the Company has for the space of three weeks succeeding the service of such demand neglected to pay such sum, or to secure or compound for the same to the reasonable satisfaction of the creditor:

(2.) Whenever execution or other process issued on a decree or order obtained in any Court in favor of any creditor, in any proceeding instituted by such creditor against the Company, is returned unsatisfied in whole or in part:

(3.) Whenever it is proved to the satisfaction of the Court that the Company is unable to pay its debts.

104. The expression "the Court," as used in this part of this Act, shall mean the principal Court having original Civil jurisdiction in the place in which the registered Office of the Company is situate; unless in the regulations for the management of the Company it shall be stipulated that the Company if wound up shall be wound up by the High Court of Judicature at Fort William, Madras, or Bombay, (as the case may be,) or by the Chief Court of the Punjab, in which case the word 'Court' shall mean the said High Court or Chief Court (as the case may be) in the exercise of its original Civil jurisdiction.

105. Any application to the Court for the winding up of a Company under this Act may be made by the Company, or by any one or more creditor or creditors, contributory or contributories of the Company, or by all or any of the above parties together or separately; and every order which may be made on any such application shall operate in favor of all the creditors and all the contributories of the Company in the same manner as if it had been made upon the joint application of a creditor and a contributory.

Application for winding up to be made by petition.

106. A winding up of a Company by the Court shall be deemed to commence at the time of the presentation of the petition for the winding up.

Commencement of winding up by Court.

107. The Court may, at any time after the presentation of a petition for winding up a Company under this Act, and before making an order for winding up the Company, upon the application of the Company, or of any creditor or contributory of the Company, restrain further proceedings in any suit or proceeding against the Company, upon such terms as the Court thinks fit. The Court may also at any time, after the presentation of such petition, and before the first appointment of liquidators, appoint provisionally an official liquidator of the estate and effects of Company.

108. Upon hearing the application, the Court may dismiss the same with or without costs, may adjourn the hearing conditionally or unconditionally, and may make any interim order, or any other order that it deems just.

109. When an order has been made for winding up a Company under this Act, no suit or other proceeding shall be proceeded with, or commenced against, the Company except with the leave of the Court and subject to such terms as the Court may impose.

110. When an order has been made for winding up a Company under this Act, a copy of such order shall forthwith be forwarded by the Company to the Registrar of Joint Stock Companies, who shall make a Minute thereof in his books relating to the Company.

111. The Court may at any time after an order has been made for winding up a Company, upon the application by motion of any creditor or contributory of the Company, and upon proof to the satisfaction of the Court that all proceedings in relation to such winding up ought to be stayed, make an order staying the

same, either altogether or for a limited time, on such terms and subject to such conditions as it deems fit.

112. When an order has been made for winding up a Company limited by guarantee and having a capital divided into shares, any share-capital that may not have been called up shall be deemed to be assets of the Company and to be a debt due to the Company from each member to the extent of any sums that may be unpaid on any shares held by him, and payable at such time as may be appointed by the Court.

113. The Court may, as to all matters relating to the winding up, have regard to the wishes of the creditors or contributories, as proved to it by any sufficient evidence, and may, if it thinks it expedient, direct meeting of the creditors or contributories to be summoned, held, and conducted in such manner as the Court directs, for the purpose of ascertaining their wishes, and may appoint a person to act as Chairman of any such meeting, and to report the result of such meeting to the Court. In the case of creditors, regard is to be had to the value of the debts due to each creditor, and in the case of contributories to the number of votes conferred on each contributory by the regulations of the Company.

#### Official Liquidators.

114. For the purpose of conducting the proceedings in winding up a Company, and assisting the Court therein, there may be appointed a person or persons to be called an official liquidator or official liquidators; and the Court may appoint such person or persons, either provisionally or otherwise, as it thinks fit, to the office of official liquidator or official liquidators. In all cases if more persons than one are appointed to the office of official liquidator, the Court shall declare whether any act hereby required or authorized to be done by the official liquidator is to be done by all or any one or more of such persons. The Court may also determine whether any and what security is to be given by any official liquidator on his appointment. If no official liquidator is appointed, or during any vacancy in such appointment, all the property of the Company shall be deemed to be in the custody of the Court.

115. Any official liquidator may resign or be removed by the Court on due cause shewn: And any vacancy in the office of an official liquidator appointed by the Court shall be filled by the Court. There shall be paid to the official liquidator such salary or remuneration, by way of percentage or otherwise, as the Court may direct; and if more liquidators than one are appointed, such remuneration shall be distributed amongst them in such proportions as the Court directs.

116. The official liquidator or liquidators shall be described by the style of the official liquidator or official liquidators of the particular Company in respect of which he is or they are appointed, and not by his or their individual name or names. He or they shall take into his or their custody, or under his or their control, all the property, effects, and things in action to which the Company is, or appears to be, entitled, and shall

117. The official liquidator shall have power, with the sanction of the Court, to do the following things:—

(1.) To bring or defend any suit, or prosecution, or other legal proceeding, Civil or Criminal, in the name and on behalf of the Company:

(2.) To carry on the business of the Company so far as may be necessary, for the beneficial winding up of the same:

(3.) To sell the immoveable and moveable property, effects, and things in action of the Company by public auction or private contract, with power to transfer the whole thereof to any person or Company, or to sell the same in parcels:

(4.) To do all acts, and to execute, in the name and on behalf of the Company, all deeds, receipts, and other documents, and for that purpose to use, when necessary, the Company's seal:

(5.) To prove, rank, claim, and draw a dividend, in the matter of the insolvency of any contributory, for any balance against the estate of such contributory, and to take and receive dividends in respect of such balance in the matter of the insolvency as a separate debt due from such insolvent, and rateably with the other separate creditors:

(6.) To draw, accept, make, and endorse any Bill of Exchange, Hundi or Promissory Note in the name and on behalf of the Company, also to raise upon the security of the assets of the Company from time to time any requisite sum or sums of money; and the drawing, accepting, making, or endorsing of every such Bill of Exchange, Hundi or Promissory Note as aforesaid on behalf of the Company shall have the same effect with respect to the liability of such Company as if such Bill, Hundi or Note had been drawn, accepted, made or endorsed by or on behalf of such Company in the course of carrying on the business thereof:

(7.) To take out, if necessary, in his official name, letters of administration to any deceased contributory, and to do in his official name any other act that may be necessary for obtaining payment of any monies due from a contributory or from his estate, and which act cannot be conveniently done in the name of the Company; and in all cases where he takes out letters of administration, or otherwise uses his official name for obtaining payment of any monies due from a contributory, such monies shall, for the purpose of enabling him to take out such letters or recover such monies, be deemed to be due to the official liquidator himself:

(8.) To do and execute all such other things as may be necessary for winding up the affairs of the Company and distributing its assets.

118. The Court may provide by any order that the official liquidator may exercise any of the above powers without the sanction or intervention of the Court, and, where an official liquidator is provisionally appointed, may limit and restrict his powers by the order appointing him.

119. The official liquidator may, with the sanction of the Court, appoint an Attorney or Vakeel to assist him in the performance of his duties.

### Ordinary Powers of Court.

120. As soon as may be after making an order for winding up the Company, the Court shall settle a list of contributories, with power to rectify the register of members in all cases where such rectification is required in pursuance of this Act, and shall cause the assets of the Company to be collected and applied in discharge of its liabilities.

121. In settling the list of contributories, the Court shall distinguish between persons who are contributories in their own right and persons who are contributories as being representatives of, or being liable to, the debts of others.

122. The Court may, at any time after making an order for winding up a Company, require any contributory for the time being settled on the list of contributories, trustee, receiver, banker, or agent, or Officer of the Company, to pay, deliver, convey, surrender, or transfer forthwith, or within such time as the Court directs, to or into the hands of the official liquidator, any sum or balance, books, papers, estate or effects which happen to be in his hands for the time being, and to which the Company is *prima facie* entitled.

123. The Court may, at any time after making an order for winding up the Company, make an order on any contributory for the time being settled on the list of contributories, directing payment to be made, in manner in the said order mentioned, of any monies due from him or from the estate of the person whom he represents to the Company exclusive of any monies which he or the estate of the person whom he represents may be liable to contribute by virtue of any call made or to be made by the Court in pursuance of this part of this Act; and it may, in making such order, when the Company is not limited, allow to such contributory by way of set-off any monies due to him or the estate which he represents from the Company on any independent dealing or contract with the Company, but not any monies due to him as a member of the Company in respect of any dividend or profit. Provided that when all the creditors of any Company, whether limited or unlimited, are paid in full, any monies due on any account whatever to any contributory from the Company may be allowed to him by way of set-off against any subsequent call or calls.

124. The Court may, at any time after making an order for winding up a Company, and either before or after it has ascertained the sufficiency of the assets of the Company, make calls on and order payment thereof by all or any of the contributories for the time being settled on the list of contributories, to the extent of their liability for payment of all or any sums it deems necessary to satisfy the debts and liabilities of the Company, and the costs, charges, and expenses of winding it up, and for the adjustment of the rights of the contributories amongst themselves; and it may, in making a call, take into consideration the probability that some of the contributories upon whom the same is made may partly or wholly fail to pay their respective portions of the same.

125. The Court may order any contributory, purchaser, or other person from whom money is due to

the Company to pay the same into the Bank of Bengal, the Bank of Madras, or the Bank of Bombay, as the case may be, or any branch thereof respectively, to the account of the official liquidator, instead of to the official liquidator, and such order may be enforced in the same manner as if it had directed payment to the official liquidator.

126. All monies, bills, notes, and other securities paid and delivered into the Bank of Bengal, the Bank of Madras, or the Bank of Bombay, or any branch thereof respectively, in the event of a Company being wound up by the Court, shall be subject to such order and regulation for the keeping of the account of such monies and other effects, and for the payment and delivery in, or investment and payment and delivery out of, the same as the Court may direct.

127. If any person made a contributory as personal representative of a deceased contributory makes default in paying any sum ordered to be paid by him, proceedings may be taken for administering the property of such deceased contributory, whether moveable or immovable, or both, and of compelling payment thereof of the monies due.

128. Any order made by the Court in pursuance of this Act upon any contributory shall, subject to the provisions herein contained for appealing against such order, be conclusive evidence that the monies, if any, thereby appearing to be due or ordered to be paid are due, and all other pertinent matters stated in such order are to be taken to be truly stated as against all persons, and in all proceedings whatsoever.

129. The Court may fix a certain day or certain days on or within which creditors of the Company are to prove their debts or claims, or to be excluded from the benefit of any distribution made before such debts are proved.

130. The Court shall adjust the rights of the contributories among themselves, and distribute any surplus that may remain amongst the parties entitled thereto.

131. The Court may, in the event of the assets being insufficient to satisfy the liabilities, make an order as to the payment out of the estate of the Company of the costs, charges, and expenses incurred in winding up any Company in such order of priority as the Court thinks just.

132. When the affairs of the Company have been completely wound up, the Court shall make an order that the Company be dissolved from the date of such order, and the Company shall be dissolved accordingly.

133. Any order so made shall be reported by the official liquidator to the Registrar, who shall make a Minute accordingly in his books of the dissolution of such Company.

134. If the official liquidator makes default in reporting to the Registrar, in the case of a Company being wound up by the Court, the order that the Company be dissolved, he shall be liable to a penalty not exceeding one hundred Rupees for every day during which he is so in default.

135. Any application for winding up a Company by the Court under this Act shall constitute a suit pending within the terms of the sixth Section of the Code of Civil Procedure.

#### *Extraordinary Powers of Court.*

136. The Court may, after it has made an order for winding up the Company, summon before it any Officer of the Company or person known or suspected to have in his possession any of the estate or effects of the Company, or supposed to be indebted to the Company, or any person whom the Court may deem capable of giving information concerning the trade, dealings, estate or effects of the Company. The Court may require any such Officer or person to produce any documents in his custody or power relating to the Company. If any person so summoned, after being tendered a reasonable sum for his expenses, refuses to come before the Court at the time appointed, having no lawful impediment, (made known to the Court at the time of its sitting and allowed by it,) the Court may cause such person to be apprehended and brought before the Court for examination. Nevertheless, in cases where any person claims any lien on documents produced by him, such production shall be without prejudice to such lien, and the Court shall have jurisdiction in the winding up to determine all questions relating to such lien.

137. The Court may examine upon oath or affirmation, either by word of mouth or upon written interrogatories, any person appearing or brought before it in manner aforesaid concerning the affairs, dealings, estate, or effects of the Company, and may reduce into writing the answers of every such person and require him to subscribe the same.

138. The Court may, at any time before or after it has made an order for winding up a Company, upon proof being given that there is probable cause for believing that any contributory to such Company is about to quit British India or otherwise abscond, or to remove or conceal any of his goods or chattels, for the purpose of evading payment of calls, or for avoiding examination in respect of the affairs of the Company, cause such contributory to be arrested, and his books, papers, monies, securities for monies, goods, and chattels to be seized, and him and them to be safely kept until such time as the Court may order.

139. Any powers by this Act conferred on the Court shall be deemed to be in addition to, and not in restriction of, any other powers subsisting of instituting proceedings against any contributory, or the estate of any contributory, or against any debtor of the Company for the recovery of any call or other sums due from such contributory or debtor, or his estate, and such proceedings may be instituted accordingly.

#### *Enforcement of, and Appeal from, Orders.*

140. All orders made by a Court under this Act may be enforced in the same manner in which decrees of such Court made in any suit pending therein may be enforced.

141. Any order made by a Court for or in the course of the winding up of a Company under this Act shall be enforced in any part of British India other than that in which such Court is situate in the Court that would have had jurisdiction in respect of such Company if the registered Office of the Company had been situate in such other part, and in the same manner in all respects as if such order had been made by the Court that is hereby required to enforce the same.

142. Where any order or decree made by one Court is required to be enforced by another Court, as hereinbefore provided, a certified copy of the order or decree so made shall be produced to the proper Officer of the Court required to enforce the same, and the production of such certified copy shall be sufficient evidence of such order or decree having been made, and thereupon such last-mentioned Court shall take such steps in the matter as may be requisite for enforcing such order or decree in the same manner as if it were the order or decree of the Court enforcing the same.

143. Re-hearings of, and appeals from, any order or decision made or given in the matter of the winding up of a Company by the Court may be had in the same manner and subject to the same conditions in and subject to which appeals may be had from any order or decision of the same Court in cases within its ordinary jurisdiction; subject to this restriction, that no such re-hearing or appeal shall be heard unless notice of the same is given within three weeks after any order complained of has been made, in manner in which notices of appeal are ordinarily given under the Code of Civil Procedure, unless such time is extended by the Court of Appeal.

144. In all proceedings under this part of this Act every Court, Judge, and person judicially acting, and all other Officers, judicial or ministerial, of any Court, or employed in enforcing the process of any Court, shall take judicial notice of the signature of any Officer of any other Court, and also of the official seal of any other Court, when such seal is appended to any document made, issued, or signed under the provisions of this part of the Act, or any official copy thereof.

145. The Judges of the District Courts who sit at places more than twenty English miles from the usual place of sitting of the High Court shall be Commissioners for the purpose of taking evidence under this Act in cases where any Company is wound up in a High Court, and it shall be lawful for the High Court to refer the whole or any part of the examination of any witnesses under this Act to any person hereby appointed Commissioner, although such Commissioner is out of the jurisdiction of the Court that made the order or decree for winding up the Company. Every such Commissioner shall, in addition to any power of summoning and examining witnesses, and requiring the production or delivery of documents and certifying or punishing defaults by witnesses, which he might lawfully exercise as a Judge of a District Court, have, in the matter so referred to him, all the

same powers of summoning and examining witnesses and requiring the production or delivery of documents and punishing defaults by witnesses, and allowing costs and charges and expenses to witnesses, as the Court which made the order for winding up the Company has; and the examination so taken shall be returned or reported to such last mentioned Court in such manner as it directs.

146. If any affidavit, affirmation, or declaration required to be sworn or made, under the provisions or for the purposes of this part of this Act, be lawfully sworn or made in British India, or in Great Britain or Ireland, or in any Colony, Island, Plantation or place under the dominion of Her Majesty in foreign parts, before any Court, Judge, or person lawfully authorized to take and receive affidavits, affirmations, or declarations, or before any of Her Majesty's Consuls or Vice-Consuls in any foreign parts out of Her Majesty's dominions, all Courts, Judges, Justices, Commissioners, and persons acting judicially in British India shall take judicial notice of the seal, or stamp, or signature (as the case may be) of any such Court, Judge, person, Consul or Vice-Consul attached, appended, or subscribed to any such affidavit, affirmation, or declaration, or to any other document to be used for the purposes of this part of this Act:

#### *Voluntary Winding up of Company.*

147. A Company under this Act may be wound up voluntarily—

(1.) Whenever the period, if any, fixed for the duration of the Company by the Articles of Association expires, or whenever the event, if any, occurs upon the occurrence of which it is provided by the Articles of Association that the Company is to be dissolved, and the Company in general meeting has passed a resolution requiring the Company to be wound up voluntarily:

(2.) Whenever the Company has passed a special resolution requiring the Company to be wound up voluntarily:

(3.) Whenever the Company has passed an extraordinary resolution to the effect that it has been proved to their satisfaction that the Company cannot, by reason of its liabilities, continue its business, and that it is advisable to wind up the same.

For the purpose of this Act any resolution shall be deemed to be extraordinary which is passed in such manner as would, if it had been confirmed by a subsequent meeting, have constituted a special resolution as hereinbefore defined.

148. A voluntary winding up shall be deemed to commence at the time of the passing of the resolution authorizing such winding up.

149. Whenever a Company is wound up voluntarily, the Company shall, from the date of the commencement of such winding up, cease to carry on its business except in so far as may be required for the beneficial winding up thereof; and all transfers of shares, except transfers made to or with the sanction of the liquidators, or alteration in the status of the members of the Company taking place after the commencement of such winding up, shall be void,

but its corporate state and all its corporate powers shall, notwithstanding it is otherwise provided by its regulations, continue until the affairs of the Company are wound up.

150. Notice of any special resolution or extraordinary resolution passed for winding up a Company voluntarily shall be given by advertisement in the local Official Gazette and also in some newspaper (if any) circulating in the place where the registered Office of the Company is situate.

151. The following consequences shall ensue upon the voluntary winding up of a Company:—

(1.) The property of the Company shall be applied in satisfaction of its liabilities *pari passu*, and subject thereto shall, unless it be otherwise provided by the regulations of the Company, be distributed amongst the members according to their rights and interests in the Company:

(2.) Liquidators shall be appointed for the purpose of winding up the affairs of the Company and distributing the property:

(3.) The Company in general meeting shall appoint such persons or person as it thinks fit to be liquidators or a liquidator, and may fix the remuneration to be paid to them or him:

(4.) If one person only is appointed, all the provisions herein contained in reference to several liquidators shall apply to him:

(5.) Upon the appointment of liquidators all the powers of the Directors shall cease, except in so far as the Company in general meeting or the liquidators may sanction the continuance of such powers:

(6.) When several liquidators are appointed, every power hereby given may be exercised by such one or more of them as may be determined at the time of their appointment, or, in default of such determination, by any number not less than two:

(7.) The liquidators may, without the sanction of the Court, exercise all powers by this Act given to the official liquidators:

(8.) The liquidators may exercise the powers hereinbefore given to the Court of settling the list of contributories of the Company, and any list so settled shall be *prima facie* evidence of the liability of the persons named therein to be contributories:

(9.) The liquidators may at any time after the passing of the resolution for winding up the Company, and before they have ascertained the sufficiency of the assets of the Company, call on all or any of the contributories for the time being settled on the list of contributories to the extent of their liability to pay all or any sums they deem necessary to satisfy the debts and liabilities of the Company, and the costs, charges, and expenses of winding it up, and for the adjustment of the rights of the contributories amongst themselves, and the liquidators may, in making a call, take into consideration the probability that some of the contributories upon whom the same is made may partly or wholly fail to pay their respective portions of the same:

(10.) The liquidators shall pay the debts of the Company and adjust the rights of the contributories amongst themselves.

152. Where a Company limited by guarantee, and having a capital divided into shares, is being wound up voluntarily, any share-capital that may not have been called up shall be deemed to be assets of the Company, and to be a debt due from each member to the Company to the extent of any sums that may be unpaid on any shares held by him, and payable at such time as may be appointed by the liquidators.

153. A Company about to be wound up voluntarily, or in the course of being wound up voluntarily may, by an extraordinary resolution, delegate to its creditors, or to any Committee of its creditors, the power of appointing liquidators or any of them, and supplying any vacancies in the appointment of liquidators, or may by a like resolution enter into any arrangement with respect to the powers to be exercised by the liquidators and the manner in which they are to be exercised; and any act done by the creditors in pursuance of such delegated power shall have the same effect as if it had been done by the Company.

154. Any arrangement entered into between a Company about to be wound up voluntarily, or in the course of being wound up voluntarily, and its creditors shall be binding on the Company if sanctioned by an extraordinary resolution, and on the creditors if acceded to by three-fourths in number and value of the creditors, subject to such right of appeal as is hereinafter mentioned.

155. Any creditor or contributory of a Company that has in manner aforesaid entered into any arrangement with its creditors may, within three weeks from the date of the completion of such arrangement, appeal to the Court against such arrangement, and the Court may thereupon as it thinks just amend, vary, or confirm the same.

156. Where a Company is being wound up voluntarily, the liquidators or any contributory of the Company may apply to the Court to determine any question arising in the matter of such winding up, or to exercise, as respects the enforcing of calls or in respect of any other matter all, or any of the powers which the Court might exercise if the Company were being wound up by the Court, and the Court, if satisfied that the determination of such question or the required exercise of power will be just and beneficial, may accede, wholly or partially, to such application on such terms and subject to such conditions as the Court thinks fit, or it may make such other order or decree on such application as the Court thinks just.

157. Where a Company is being wound up voluntarily, the liquidators may, from time to time during the continuance of such winding up, summon general meeting of the Company for the purpose of obtaining the sanction of the Company by special resolution or extraordinary resolution, or for any other purposes they think fit. In the event of the winding up continuing for more than one year, the liquidators shall summon a general meeting of the Company at the end of the first year, and of each succeeding year from the commencement of the

winding up, or as soon thereafter as may be convenient, and shall lay before such meeting an account shewing their acts and dealings and the manner in which the winding up has been conducted during the preceding year.

158. If any vacancy occurs in the office of liquidators appointed by the

Power to fill up vacancy in liquidators. Company by death, resignation, or otherwise, the Company in general meeting may, subject to any arrangement they may have entered into with their creditors, fill up such vacancy, and a general meeting for the purpose of filling up such vacancy may be convened by the continuing liquidators, if any, or by any contributory of the Company, and shall be deemed to have been duly held if held in manner prescribed by the regulations of the Company, or in such other manner as may, on application by the continuing liquidator, if any, or by any contributory of the Company, be determined by the Court.

159. If, from any cause whatever, there is no liquidator acting in the case of a voluntary winding up, the Court may, on the application of a contributory, appoint a liquidator or liquidators. The Court may also, on due cause shewn, remove any liquidator and appoint another liquidator to act in the matter of a voluntary winding up.

160. As soon as the affairs of the Company are fully wound up, the liquidators shall make up an account shewing the manner in which such winding up has been conducted and the property of the Company disposed of; and thereupon they shall call a general meeting of the Company for the purpose of having the account laid before them, and hearing any explanation that may be given by the liquidators. The meeting shall be called by advertisement, specifying the time, place, and object of such meeting, and such advertisement shall be published one month at least previously to the meeting in the manner specified in Section 150.

161. The liquidators shall make a return to the Registrar of such meeting having been held, and of the date at which the same was held, and on the expiration of three months from the date of the registration of such return the Company shall be deemed to be dissolved. If the liquidators make default in making such return to the Registrar, they shall incur a penalty not exceeding fifty Rupees for every day during which such default continues.

162. All costs, charges, and expenses properly incurred in the voluntary winding up of a Company, including the remuneration of the liquidators, shall be payable out of the assets of the Company in priority to all other claims.

163. The voluntary winding up of a Company shall not be a bar to the right of any creditor of such Company to have the same wound up by the Court if the Court is of opinion that the rights of such creditor will be prejudiced by a voluntary winding up.

164. Where a Company is in course of being wound up voluntarily, and proceedings are taken for the purpose of having the same wound up by the Court, the Court may if it thinks fit, notwithstanding that it makes a,

order directing the Company to be wound up by the Court, provide in such order or in any other order for the adoption of all or any of the proceedings taken in the course of the voluntary winding up.

#### *Winding up subject to the Supervision of the Court.*

165. When a resolution has been passed by a Company to wind up voluntarily, the Court may make an order directing that the voluntary winding up should continue, but subject to such supervision of the Court, and with such liberty for creditors, contributories, or others, to apply to the Court, and generally upon such terms and subject to such conditions as the Court thinks just.

166. A petition praying wholly or in part that a voluntary winding up should continue, but subject to the supervision of the Court, and which winding up is hereinafter referred to as a winding up subject to the supervision of the Court, shall, for the purpose of giving jurisdiction to the Court over suits, be deemed to be a petition for winding up the Company by the Court.

167. The Court may, in determining whether a Company is to be wound up altogether by the Court, or subject to the supervision of the Court, in the appointment of liquidator or liquidators, and in all other matters relating to the winding up, subject to supervision, have regard to the wishes of the creditors or contributories as proved to it by any sufficient evidence, and may direct meetings of the creditors or contributories to be summoned, held, and regulated in such manner as the Court directs for the purpose of ascertaining their wishes, and may appoint a person to act as Chairman of any such meeting, and to report the result of such meeting to the Court. In the case of creditors, regard shall be had to the value of the debts due to each creditor, and in the case of contributories, to the number of votes conferred on each contributory by the regulations of the Company.

168. Where any order is made by the Court for a winding up subject to the supervision of the Court, the Court may, in such order or in any subsequent order, appoint any additional liquidator or liquidators, and any liquidators so appointed by the Court shall have the same powers, be subject to the same obligations, and in all respects stand in the same position as if they had been appointed by the Company. The Court may from time to time remove any liquidators so appointed by the Court, and fill up any vacancy occasioned by such removal, or by death, or resignation.

169. Where an order is made for a winding up subject to the supervision of the Court, the liquidators appointed to conduct such winding up may, subject to any restrictions imposed by the Court, exercise all their powers, without the sanction or intervention of the Court, in the same manner as if the Company were being wound up altogether voluntarily; but, save as aforesaid, any order made by the Court for a winding up subject to the supervision of the Court shall, for all purposes, including the staying of suits and other proceedings, be deemed to be

an order of the Court for winding up the Company by the Court, and shall confer full authority on the Court to make calls, or to enforce calls made by the liquidators, and to exercise all other powers which it might have exercised if an order had been made for winding up the Company altogether by the Court; and in the construction of the provisions whereby the Court is empowered to direct any act or thing to be done to, or in favor of, the official liquidators, the expression official liquidators shall be deemed to mean the liquidators conducting the winding up subject to the supervision of the Court.

170. Where an order has been made for the winding up of a Company subject to the supervision of the Court, and such order is afterwards superseded by an order directing the Company to be wound up compulsorily, the Court may, in such last-mentioned order, or in any subsequent order, appoint the voluntary liquidators, or any of them, either provisionally or permanently, and either with or without the addition of any other persons to be official liquidators.

*Supplemental Provisions.*

171. Where any Company is being wound up by the Court or subject to the supervision of the Court all dispositions of the property, effects, and things in action of the Company, and every transfer of shares, or alteration in the status of the members of the Company made between the commencement of the winding up, and the order for winding up, shall, unless the Court otherwise orders, be void.

172. Where any Company is being wound up the books of the Company, all books, accounts, and documents of the Company and of the liquidators shall, as between the contributories of the Company, be *prima facie* evidence of the truth of all matters purporting to be therein recorded.

173. Where any Company has been wound up under this Act and is about to be dissolved, the books, accounts, and documents of the Company and of the liquidators may be disposed of in the following way; that is to say, where the Company has been wound up by, or subject to the supervision of, the Court, in such way as the Court directs, and where the Company has been wound up voluntarily in such way as the Company by an extraordinary resolution directs. But after the lapse of five years from the date of such dissolution, no responsibility shall rest on the Company, or the liquidators, or any one to whom the custody of such books, accounts, and documents has been committed, by reason that the same, or any of them, cannot be made forthcoming to any party or parties claiming to be interested therein.

174. Where an order has been made for winding up a Company by the Court, or subject to the supervision of the Court, the Court may make such order for the inspection by the creditors and contributories of the Company of its books and papers as the Court thinks just, and any books and papers in the possession of the Company may be inspected by creditors or contributories in conformity with the order of the Court, but not further or otherwise.

175. The liquidators may, with the sanction of the Court, where the Company is being wound up by the Court, or subject to the supervision of the Court, and with the sanction of an extraordinary resolution of the Company where the Company is being wound up altogether voluntarily, pay any classes of creditors in full, or make such compromise or other arrangement as the liquidators may deem expedient with creditors, or persons claiming to be creditors, or persons having, or alleging themselves to have, any claim, present or future, whereby the Company may be rendered liable.

176. The liquidators may, with the sanction of the Court, where the Company is being wound up by the Court, or subject to the supervision of the Court, and with the sanction of an extraordinary resolution of the Company where the Company is being wound up altogether voluntarily, compromise all calls and liabilities to calls, debts, and liabilities capable of resulting in debts, and all claims, whether present or future, subsisting, or supposed to subsist, between the Company and any contributory, or alleged contributory, or other debtor or person apprehending liability to the Company, and all questions in any way relating to, or affecting the assets of, the Company or the winding up of the Company, generally upon such terms as may be agreed upon, with power for the liquidators to take any security for the discharge of such debts or liabilities, and to give complete discharges in respect of all or any such calls, debts, or liabilities.

177. Where any Company is proposed to be wound up altogether voluntarily, and the whole or a portion of its business or property is proposed to be transferred or sold to another Company, the liquidators of the first-mentioned Company may, with the sanction of a special resolution of the Company by whom they were appointed, conferring either a general authority on the liquidators, or an authority in respect of any particular arrangement, receive in compensation or part compensation for such transfer or sale, shares, policies, or other like interests in such other Company, for the purpose of distribution amongst the members of the Company being wound up, or may enter into any other arrangement whereby the members of the Company being wound up may, in lieu of receiving cash, shares, policies, or other like interests, or in addition thereto, participate in the profits of, or receive any other benefit from, the purchasing Company; and any sale made or arrangement entered into by the liquidators in pursuance of this Section shall be binding on the members of the Company being wound up; subject to this proviso that, if any member of the Company being wound up who has not voted in favor of the special resolution passed by the Company of which he is a member at either of the Meetings held for passing the same expresses his dissent from any such special resolution in writing addressed to the liquidators or one of them, and left at the registered Office of the Company not later than seven days after the date of the Meeting at which such special resolution was passed, such dissenting member may require the liquidators to do one of

the following things as the liquidators may prefer; that is to say, either to abstain from carrying such resolution into effect, or to purchase the interest held by such dissentient member at a price to be determined in manner hereinafter mentioned, such purchase money to be paid before the Company is dissolved, and to be raised by the liquidators in such manner as may be determined by special resolution. No special resolution shall be deemed invalid for the purposes of this Section by reason that it is passed antecedently to, or concurrently with, any resolution for winding up the Company, or for appointing liquidators; but if an order be made within a year for winding up the Company by, or subject to the supervision of, the Court, such resolution shall not be of any validity unless it is sanctioned by the Court.

178. The price to be paid for the purchase of the interest of any dissentient member may be determined by agreement.

If the parties dispute about the same, such dispute shall be settled by arbitration, under the provisions contained in the Code of Civil Procedure regarding arbitration between the parties to a suit, so far as such provisions are applicable.

179. Where any Company is being wound up by the Court, or subject to the supervision of the Court, any attachment or execution put in force against the estate or effects of the Company after the commencement of the winding up shall be void.

180. Any such conveyance, mortgage, delivery of goods, payment, execution or other act relating to property as would, if made or done by or against any individual trader, be deemed in the event of his insolvency to have been made or done by way of undue or fraudulent preference of the creditors of such trader, shall, if made or done by or against any Company, be deemed, in the event of such Company being wound up under this Act, to have been made or done by way of undue or fraudulent preference of the creditors of such Company, and shall be invalid accordingly; and, for the purposes of this Section, the making of an application for winding up a Company shall, in the case of a Company being wound up by the Court, or subject to the supervision of the Court, and a resolution for winding up the Company shall, in the case of a voluntary winding up, be deemed to correspond with the act of insolvency in the case of an individual trader; and any conveyance or assignment made by any Company formed under this Act of all its estate and effects to trustees for the benefit of all its creditors shall be void.

181. Where, in the course of the winding up of any Company under this Act, it appears that any past or present Director, Manager, official or other liquidator, or any Officer of such Company, has misapplied or retained in his own hands, or become liable or accountable for any monies of the Company, or been guilty of any misfeasance or breach of trust in relation to the Company, the Court may, on the application of any liquidator, or of any creditor or contributory of the Company, notwithstanding that the offence is one for which the offender is criminally responsible, examine into the conduct of such Director, Manager, or other Officer and compel him to

re-pay any monies so misapplied or retained, or for which he has become liable or accountable, together with interest after such rate as the Court thinks just, or to contribute such sums of money to the assets of the Company by way of compensation in respect of such misapplication, retainer, misfeasance, or breach of trust as the Court thinks just.

182. If any Director, Officer, or contributory of any Company wound up under this Act secretes, destroys, mutilates, alters, or falsifies any books, papers, writings, or securities, or makes or is privy to the making of any false or fraudulent entry in any Register, book of account, or other document belonging to the Company with intent to defraud or deceive any person, every person so offending shall be punished with imprisonment of either description as defined in the Indian Penal Code for a term which may extend to two years, and shall also be liable to fine, which may extend to five hundred Rupees.

183. Where any order is made for winding up a Company by the Court, or subject to the supervision of the Court, if it appear in the course of such winding up that any past or present Director, Manager, Officer, or member of such Company has been guilty of any offence in relation to the Company for which he is criminally responsible, the Court may, on the application of any person interested in such winding up, or of its own motion, direct the official liquidators, or the liquidators, (as the case may be,) to institute and conduct a prosecution or prosecutions for such offence, and may order the costs and expenses to be paid out of the assets of the Company.

184. If any person, upon any examination upon oath or affirmation authorized under this Act, or in any affidavit, deposition, or solemn affirmation in or about the winding up of any Company under this Act, or otherwise in or about any matter arising under this Act, intentionally gives false evidence, he shall, upon conviction, be liable to the punishment provided by Section 193 of the Indian Penal Code for the offence of intentionally giving false evidence in a stage of a judicial proceeding.

*Power of High Court to make Rules.*

185. The High Court may, as often as circumstances require, make such rules concerning the mode of proceeding to be had for winding up a Company in such Court and in the Courts subordinate thereto as may from time to time seem necessary, and as may be consistent with the other provisions of this Act and with the Code of Civil Procedure; but until such rules are made, the general practice of the Court, including the practice hitherto in use in winding up Companies, shall, so far as the same is applicable and not inconsistent with this Act, apply to all proceedings for winding up a Company.

## PART V.

## PART VII.

### *Companies authorized to register under this Act.*

190. ### Directors.

(52.) The number of the Directors, and the names of the first Directors, shall be determined by the subscribers of the Memorandum of Association.

(53.) Until Directors are appointed the subscribers of the Memorandum of Association shall be deemed to be Directors.

(54.) The future remuneration of the Directors, and their remuneration for services performed previously to the first general meeting, shall be determined by the Company in general meeting.

### *Powers of Directors.*

(55.) The business of the Company shall be managed by the Directors, who may pay all expenses incurred in getting up and registering the Company, and may exercise all such powers of the Company as are not, by the foregoing Act, or by these Articles, required to be exercised by the Company in general meeting, subject, nevertheless, to any regulations of these Articles, to the provisions of the foregoing Act, and to such regulations, being not inconsistent with the aforesaid regulations or provisions, as may be prescribed by the Company in general meeting; but no regulation made by the Company in general meeting shall invalidate any prior act of the Directors which would have been valid if such regulation had not been made.

(56.) The continuing Directors may act notwithstanding any vacancy in their body.

### Disqualification of Directors.

(57.) The office of Director shall be vacated—  
If he holds any other office or place of profit  
under the Company :

If he becomes bankrupt or insolvent:

If he is concerned in or participates in the profits of any contract with the Company:

But the above rules shall be subject to the following exceptions:—That no Director shall vacate his office by reason of his being a member of any Company which has entered into contracts with, or done any work for, the Company of which he is Director; nevertheless he shall not vote in respect of such contract or work, and if he does so vote, his vote shall not be counted.

### Rotation of Directors.

(58.) At the first ordinary meeting after the registration of the Company the whole of the Directors shall retire from office, and at the first ordinary meeting in every subsequent year one-third of the Directors for the time being, or if their number is not a multiple of three, then the number nearest to one-third, shall retire from office.

(59.) The one-third or other nearest number to retire during the first and second years ensuing the first ordinary meeting of the Company shall, unless the Directors agree among themselves, be determined by ballot. In every subsequent year, the one-third or other nearest number who have been longest in office shall retire.

(60.) A retiring Director shall be re-eligible.

(61.) The Company at the general meeting at which any Directors retire in manner aforesaid shall fill up the vacated offices by electing a like number of persons.

(62.) If at any meeting at which an election of Directors ought to take place the places of the vacating Directors are not filled up, the meeting

shall stand adjourned till the same day in the next week at the same time and place, and if at such adjourned meeting the places of the vacating Directors are not filled up, the vacating Directors, or such of them as have not had their places filled up, shall continue in office until the ordinary meeting in the next year, and so on from time to time until their places are filled up.

(63.) The Company may from time to time in general meeting increase or reduce the number of Directors, and may also determine in what rotation such increased or reduced number is to go out of office.

(64.) Any casual vacancy occurring in the Board of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

(65.) The Company, in general meeting, may, by a special resolution, remove any Director before the expiration of his period of office, and may by an ordinary resolution appoint another person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

#### *Proceedings of Directors.*

(66.) The Directors may meet together for the despatch of business, adjourn and otherwise regulate their meetings as they think fit, and determine the quorum necessary for the transaction of business. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes the Chairman shall have a second or casting vote. A Director may at any time summon a meeting of the Directors.

(67.) The Directors may elect a Chairman of their meetings, and determine the period for which he is to hold office; but if no such Chairman is elected, or if at any meeting the Chairman is not present at the time appointed for holding the same, the Directors present shall choose some one of their number to be Chairman of such meeting.

(68.) The Directors may delegate any of their powers to Committees consisting of such member or members of their body as they think fit. Any Committee so formed shall, in the exercise of the powers so delegated, conform to any Regulations that may be imposed on it by the Directors.

(69.) A Committee may elect a Chairman of its meetings. If no such Chairman is elected, or if he is not present at the time appointed for holding the same, the members present shall choose one of their number to be Chairman of such meeting.

(70.) A Committee may meet and adjourn as it thinks proper. Questions arising at any meeting shall be determined by a majority of votes of the members present, and in case of an equality of votes the Chairman shall have a second or casting vote.

(71.) All acts done by any meeting of the Directors, or of a Committee of Directors, or by any

person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

#### *Dividends.*

(72.) The Directors may, with the sanction of the Company in general meeting, declare a dividend to be paid to the members in proportion to their shares.

(73.) No dividend shall be payable except out of the profits arising from the business of the Company.

(74.) The Directors may, before recommending any dividend, set aside out of the profits of the Company such sum as they think proper as a reserved fund to meet contingencies, or for equalizing dividends, or for repairing or maintaining the works connected with the business of the Company, or any part thereof; and the Directors may invest the sum so set apart as a reserved fund upon such securities as they may select.

(75.) The Directors may deduct from the dividends payable to any member all such sums of money as may be due from him to the Company on account of calls or otherwise.

(76.) Notice of any dividend that may have been declared shall be given to each member in manner hereinafter mentioned, and all dividends unclaimed for three years after having been declared may be forfeited by the Directors for the benefit of the Company.

(77.) No dividend shall bear interest as against the Company.

#### *Accounts.*

(78.) The Directors shall cause true accounts to be kept—

Of the sums of money received and expended by the Company, and the matter in respect of which such receipt and expenditure takes place; and

Of the credits and liabilities of the Company.

The books of account shall be kept at the registered Office of the Company, and subject to any reasonable restrictions as to the time and manner of inspecting the same that may be imposed by the Company in General Meeting, shall be open to the inspection of the members during the hours of business.

(79.) Once at the least in every year the Directors shall lay before the Company in general meeting a statement of the income and expenditure for the past year, made up to a date not more than three months before such meeting.

(80.) The statement so made shall shew, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the

expense of the establishment, salaries, and other like matters. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

(81.) A balance-sheet shall be made out in every year and laid before the Company in general meeting, and such balance-sheet shall contain a summary of the property and liabilities of the Company arranged under the heads appearing in the form annexed to this Table, or as near thereto as circumstances admit.

(82.) A printed copy of such balance sheet shall, seven days previously to such meeting, be served on every member in the manner in which notices are hereinafter directed to be served.

#### *Audit.*

(84.) The first auditors shall be appointed by the Directors, subsequent auditors shall be appointed by the Company in general meeting.

(85.) If one auditor only is appointed, all the provisions herein contained relating to auditors shall apply to him.

(86.) The auditors may be members of the Company; but no person is eligible as an auditor who is interested otherwise than as a member in any transaction of the Company; and no Director or other officer of the Company is eligible during his continuance in office.

(87.) The election of auditors shall be made by the Company at their ordinary meeting in such year.

(88.) The remuneration of the first auditors shall be fixed by the Directors; that of subsequent auditors shall be fixed by the Company in general meeting.

(89.) Any auditor shall be re-eligible on his quitting office.

(90.) If any casual vacancy occurs in the office of any auditor appointed by the Company, the Directors shall forthwith call an extraordinary

general meeting for the purpose of supplying the same.

(91.) If no election of auditors is made in manner aforesaid, the Local Government may, on the application of not less than five members of the Company, appoint an auditor for the current year and fix the remuneration to be paid to him by the Company for his services.

(92.) Every auditor shall be supplied with a copy of the balance-sheet, and it shall be his duty to examine the same with the accounts and vouchers relating thereto.

(93.) Every auditor shall have a list delivered to him of all books kept by the Company, and shall at all reasonable times have access to the books and accounts of the Company. He may, at the expense of the Company, employ accountants or other persons to assist him in investigating such accounts, and he may, in relation to such accounts, examine the Directors or any other Officer of the Company.

(94.) The auditors shall make a report to the members upon the balance-sheet and accounts, and in every such report they shall state whether, in their opinion, the balance-sheet is a full and fair balance-sheet, containing the particulars required by these regulations, and properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs; and in case they have called for explanations or information from the Directors, whether such explanations or information have or has been given by the Directors, and whether they or it have or has been satisfactory, and such report shall be read, together with the report of the Directors, at the ordinary meeting.

#### *Notices.*

(95.) A notice may be served by the Company upon any Member either personally or by sending it through the post in a letter addressed to such member at his registered place of abode.

(96.) All notices directed to be given to the members shall, with respect to any share to which persons are jointly entitled, be given to whichever of such persons is named first in the register of members, and notice so given shall be sufficient notice to all the holders of such share.

(97.) Any notice if served by post shall be deemed to have been served at the time when the letter containing the same would be delivered in the ordinary course of the post; and in proving such service it shall be sufficient to prove that the letter containing the notices was properly addressed and put into the Post Office.

## STATEMENT OF OBJECTS AND REASONS.

THE object of this Bill is to form a complete code for the formation, regulation, and winding up of Companies of every description, including under the term 'Companies' any Association that chooses to avail itself of the provisions of the Bill. It is a transcript of the English Companies' Act, 1862. (Stat. 25 & 26 Vict., Cap. 89,) with the alterations, omissions, and additions necessary to adapt that measure to India.

The Bill adopts the system of legislation created in this country by Act XIX of 1857, of which the English Joint Stock Companies' Act, 1856, was the prototype, and introduces the system of winding up subject to the supervision of the Court, which was initiated in England by the Joint Stock Companies' Act of 1857 and expanded by the amending Act of 1858.

The Bill also withdraws the prohibition which prevents Insurance Companies from availing themselves of the provisions of Act XIX of 1857. Banking Companies were exempted from the like prohibition by Act VII of 1860, and the exemption is of course continued by the present Bill.

No Company can be registered under Act XIX of 1857 unless it possesses a joint stock capital divided into shares of a certain fixed amount. But this Bill comprehends Companies formed on the mutual principle, such as mutual loan Companies and all Associations deriving their funds from annual subscriptions or any other source than a share-capital.

The Bill legalizes the formation of a new species of Company. In this, which is called "a Company limited by guarantee," the liability of the members is limited to such amount as they may undertake by the Memorandum of Association to contribute to the assets of the Company in the event of its being wound up.

Act XIX of 1857 provides only for the winding up of Companies registered under it. The present Bill makes provisions for winding up all Companies, whether registered or not.

The minor changes in the law which the present Bill proposes to make may be briefly stated.

The liability of members differs somewhat from that established by Act XIX of 1857, and is as follows: Every member is liable, during the time of his membership and for a year after, in respect of engagements contracted before the time that he

ceased to be a member, but not in respect of subsequent engagements. In a Company limited by shares his liability ceases when he has paid up all calls on his shares. In a Company limited by guarantee, the extent of his liability is measured by the amount of the guarantee, with the addition, if the capital be divided into shares, of an obligation to pay up the calls on his shares. In the case of an unlimited Company the calls must be made equally on all the shareholders, and a member cannot, as formerly, be singled out by the creditors.

All limited Companies (Section 43) must keep at their Office a register of mortgages open to inspection by any creditor or member.

Three-fourths in number and value of the Company may by special resolution alter its regulations, and the Bill contains provisions enabling a certain number of members to obtain an examination of the affairs of the Company by an Inspector appointed by the Local Government, which here, as throughout the Bill, represents the Board of Trade of the English Statute.

The Bill contains provisions enabling Companies to refer matters in dispute to arbitration. These are taken from the Railway Companies' Arbitration Act, 1859. In the case of disputes between a Company and one of its shareholders, the provisions as to arbitration contained in the Code of Civil Procedure are incorporated by reference. And there are other provisions for forms of notices, application of penalties, conduct of legal proceedings and alterations in the forms in the Schedules which cannot well be stated in a summary manner.

*A Bill to amend Act I of 1864 passed by the Lieutenant-Governor of Bengal in Council (An Act for regulating Hackney Carriages and Palankeens in the Town and Suburbs of Calcutta.)*

WHEREAS it is expedient to amend the Law regulating Hackney Carriages and Palankeens in the Town and Suburbs of Calcutta; It is enacted as follows :—

1. Sections 6, 11, 12, 15, 18, 26, 35, and 43 of Act I of 1864 passed by the Lieutenant-Governor of Bengal in Council, are hereby repealed, and Section 30, Clause 1, of the said Act, so far as it relates to the wearing of a ticket, shall not be applicable to the driver of any Hackney Carriage of the first Class.

II. The year of registration shall commence on the first day of March of each year, and every registration made on any date within such year of registration shall be in force to the end thereof and no longer. Any person wishing within the year to use as a Hackney Carriage a Carriage not so in use on the last preceeding day of annual registration, may have such carriage registered on application to the Registering Officer. When any registered Carriage is transferred within the year, it shall be registered anew in the name of the person to whom it has been transferred.

III. As often as any registered owner or licensed driver of a Carriage registered under the said Act I of 1864 shall change his residence, he shall give notice thereof in writing signed by him to the Registering Officer, specifying in such notice his new residence. Every registered owner or licensed driver who shall change his residence, and shall neglect for one week to give notice of such change, shall be liable to a penalty not exceeding twenty Rupees.

IV. On the expiration of each year of registration the owner of any Carriage registered as aforesaid shall cause the plate of such Carriage, affixed under

Section 7 of the said Act I of 1864, to be delivered to the Registering Officer; and any person who, after the expiration of the period aforesaid, shall wilfully neglect for three days to deliver the plate to the said Officer, and every person who shall use or detain any plate affixed in respect of a registration which is no longer in force, shall, for every such offence, be liable to a penalty not exceeding one hundred Rupees. Every person who shall, for the purpose of deception, use or have any plate resembling or intended to resemble any plate affixed under this Act shall, for every such offence, be liable to a penalty not exceeding two hundred Rupees. It shall be lawful for the Registering Officer, or for any person employed by him for that purpose, to prosecute any person so neglecting to deliver up a plate at any time within twelve calendar months after the expiration of the registration in respect of which such plate was affixed; and it shall be lawful for any Police Officer, or any person employed for that purpose by the Registering Officer, to seize and take away any such plate, or any plate used for the purpose of deception as aforesaid, wheresoever the same may be found, and to deliver the same to the Registering Officer.

V. For every license to act as driver granted under this Act a fee of two Rupees shall be paid, and the Registering Officer shall, at the time of granting any license, deliver to every driver of a Hackney Carriage of the second or third Class to whom the same may be granted a metal ticket upon which shall be marked or engraved his employment, and a number corresponding with the number which shall be inserted in the license. The Driver to whom such ticket is delivered shall at all times, while acting as such Driver, or while attending before any Magistrate, carry such ticket exposed to view.

VI. The particulars of every license which shall be granted as aforesaid shall be entered in books to be kept for that purpose at the Office of the said Registering Officer; and every person, applying at all reasonable times, shall be furnished with a certified copy of the particulars respecting any licensed person or respecting any registered Carriage on payment of a fee of two annas for each copy.

VII. It shall be lawful for the Registering Officer to cancel the registration of any Carriage the owner of which shall, without reasonable excuse, neglect to comply with the provisions of Section 22 of the said Act I of 1864. The negligence of the agent or servant of such owner shall not be deemed a reasonable excuse.

VIII. Any person who shall maliciously or knowingly tear, destroy, or remove any table of fares which shall have been put up under the provisions of the Section last aforesaid, shall be liable on conviction to a fine not exceeding twenty Rupees, and any portion of such last-mentioned fine may be

awarded to the owner of the Hackney Carriage to which such table of fares shall have been affixed.

IX. Any owner or person in charge of any Hackney Carriage registered under this Act who shall, without sufficient reason, refuse to let such Carriage for hire at the fares specified for the hire of the same under this Act, shall, provided the amount of such fare shall have been tendered to him in cash at the time, be liable on conviction to a fine not exceeding fifty Rupees, and to pay such further sum by way of compensation to the prosecutor as to the Magistrate who shall hear the case may seem just, and such further sum shall, in default of immediate payment, be levied in the mode provided for the levying of fines under the said Act I of 1864.

X. In case of any dispute between the hirer and driver of any Hackney Carriage of the second or third Class registered under the said Act I of 1864, the hirer may, if any Magistrate be then sitting, require the driver to drive to the Court of such Magistrate, and such Magistrate shall hear and determine the dispute in a summary way.

XI. It shall not be lawful for any person to act as the bearer of a registered Palankeen unless such person shall have obtained a license from the Registering Officer in the mode prescribed for drivers of Hackney Carriages under the provisions of the said Act I of 1864 and of this Act, and all the provisions of the said Acts in regard to the grant of such licenses to the drivers of Hackney Carriages, and the registration of the same, shall be applicable to the bearers of Palankeens. For every license to act as a Palankeen bearer, granted under this Act, a fee of eight annas shall be paid, and the Registering Officer shall deliver a ticket under the conditions prescribed by Section 5 of this Act.

XII. The bearers of every Palankeen registered under this Act shall (unless they have a reasonable excuse to be allowed by the Magistrate before whom the matter shall be brought in question) carry such Palankeen to any place to which they shall be required by the hirer thereof to carry the same, not exceeding five miles from the place where the same shall have been hired; provided always that, when such Palankeen shall have been hired by time, the bearers thereof may be required to carry it at any rate not exceeding two and a half miles within one hour; and, if the bearers of such Palankeen shall be required to carry it more than two and a half miles within one hour, then, in every such case, they shall be entitled to demand, in addition to the fare regulated by time in Schedule (B) annexed to the said Act I of 1864, for every mile or any part thereof exceeding two and a half miles, the fare regulated by distance as set forth in the same Schedule. All the provisions contained in the said Act I of 1864 or in this Act as to offences committed by or against the owners

and drivers of Hackney Carriages shall, save as is otherwise expressly provided, be applicable, so far as the same may reasonably be applied, to the owners and bearers of Palankeens.

XIII. It shall be lawful for the Lieutenant-Governor of Bengal, by a notification to be published in the Calcutta Gazette, to extend the provisions of the said Act I of 1864 and of this Act to the Station of Howrah and to any other towns or places within the Provinces under his control.

XIV. This Act shall be read with, and taken as part of, the said Act I of 1864.

#### STATEMENT OF OBJECTS AND REASONS.

UNDER the provisions of the Hackney Carriage Act, the refusal to let a registered Hackney Carriage or Palankeen for hire, at the fares specified therein, is made punishable by fine on conviction before a Magistrate.

It has been found that, notwithstanding this penalty, the owners or persons in charge of these conveyances, relying on the known unwillingness of persons to spend time and trouble in the prosecution of cases of refusal to let for hire at the authorized rates, too frequently disregard the provisions of the law, and practically exact their own terms from the hirers.

The unwillingness to prosecute in these cases may be in great measure attributed to the want of any compensatory provision, for the trouble and loss of time entailed by such prosecution, corresponding to that which the law contains in regard to prosecutions by owners of registered conveyances for the recovery of their lawful fares.

It has also been thought that there should be a complete registration of Palankeen bearers, as well as of drivers of Hackney Carriages, which is not provided for in the Act.

The existing Law also, whilst it makes offences by the owners and bearers of Palankeens liable to be punished in the same way as offences by the owners and drivers of Hackney Carriages, gives no corresponding special remedy to the former class in regard to offences committed against them.

The present Bill aims at remedying these and other minor defects and omissions which the experience of the working of the Act during the past year has brought to notice, and provides also for the extension of the Law to other towns and places in which its operation may seem to be called for.

The Board however reserve to themselves the right of altering these dates should circumstances render it expedient to do so.

The following are the conditions of Sale :—

1st. The Opium will be sold for exportation by sea only, and no certificate will be granted except to cover such Export.

2nd. The Opium will be ordinarily offered for sale at an upset price of Rupees 800 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of these conditions of Sale.

3rd. The Sale shall commence at the hour of 11 A. M. of the day fixed by previous Notification, and shall not be continued after the hour of 5 P. M., but if at that hour any of the lots advertised for sale shall remain unsold, the sale may, at the discretion of the Board of Revenue, be resumed on the next day following (not being Sunday or a Public Holiday) at the hour of 11 A. M., and so on, until the whole of the remaining lots are disposed of, or, if the whole quantity advertised shall not be sold on the day appointed, the Board may dispose of the lots which remain on hand at a future Sale.

4th. Each lot shall contain five Chests.

5th. A Promissory Note for a sum, calculated according to the scale noted in the margin, shall be taken as a deposit on each lot from the Purchaser in the Sale Room, and before the lot is registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office by Bank of Bengal Receipts, or by substitution of other Public Securities of the Bengal Government on or before 4 o'clock in the afternoon of the fifth day after the sale, or on the

other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Bank of Bengal Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times and under such conditions of re-sale as the Board of Revenue shall see fit, and all losses and expenses, whatsoever, attending such re-sale shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6. The Promissory Notes taken on the day of sale under the last mentioned condition, if remaining unredeemed at 4 o'clock of the fifth day following the day of sale, will be placed in the hands of the Solicitor to the Government for realization in such manner as to him shall seem fit.

7. No tender of money, Bank of Bengal Receipts, or Public Securities on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the fifth day following the day of sale, will be afterwards accepted.

8. The Opium now advertised for sale shall be paid for within fifteen clear days from the day of sale, and in case any lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit made under the fifth condition, or any Public Securities that may have been deposited on account of such lots or Chests, shall be forfeited, and the Opium shall be disposed of on account of Government at such time, and in such manner, as the Board of Revenue shall think fit, and the first purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9. Purchasers taking out Certificates or Orders for the delivery of Opium after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood that the Certificates or Orders so taken out shall be considered final, and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots or of a different number of lots or Chests, whether more or less than the number of lots or Chests originally required to be included in each Certificate or Order.

10. No deposit of Public Securities under the fifth of the present condition will be received in this Office, except from the party recorded as the purchaser in the Sale Book, or his authorized Agent. The Receipt for deposit of Public Securities will be granted only in the name of such purchaser, and the Securities so deposited will be returned when payment in full has been made by the said purchaser or his order.

11. The Officer superintending the sale on the part of the Board of Revenue is empowered to reject, at his discretion, the bid of any individual unless such individual shall, on demand, tender at the time a deposit either in Government of India Notes, Bank of Bengal Receipts, or Government Securities a sum equal to the amount, for which a Promissory Note would otherwise be taken under the fifth of these conditions.

12. With a view to prevent fictitious biddings designed to obstruct the sale, it is hereby notified that the Officer of Government superintending the sale shall be competent, at any time during the sale, to withdraw any unsold lot and immediately to put it up again for sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first *bona fide* bidder for a lot after it has been offered for sale in the mode here described shall be held and declared to be the purchaser of the said lot, and the Officer of Government superintending the sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper, provided always that no lot shall be sold below the minimum price of 800 Rupees specified in the second of these conditions.

13. The purchaser of any lot shall have the option of naming and purchasing, in immediate succession at the same price and under the same conditions any number of lots of the same Agency Opium not exceeding altogether twenty-five lots; provided always that there remain a sufficient number of lots of the Opium to complete the said twenty-five.

14. In the event of any dispute or difference touching or concerning any matter or question arising out of the sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the High Court of Judicature at Fort William in Bengal.

15. The following papers will be exhibited for inspection on the day of sale, or may be seen previously to that date by application at the Office of the Junior Secretary to the Board of Revenue:—

No. 1.—Certificate of the Opium advertized for sale.

No. 2.—Report of the examination of such Opium.

16. The Public are hereby informed that, in providing the investment of the Behar and Benares Opium for the year 1864-65, the same precautions have been taken as those which have been observed during past years, to have the drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the weight of the drug when packed at Behar and Benares, and a Statement of the average weight of the chests, indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Junior Secretary to the Board of Revenue.

17. Any further information respecting weight or quality of the Opium advertized for sale that may be desired by parties connected with the trade will, as heretofore, be furnished to them on application at the Office of the Board of Revenue; but, in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred on reference to chests after the sale and delivery of the Opium for shipment.

18. It is hereby further notified that, under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of the French Government, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the twelve sales of the year 1866, there shall be delivered to them at the average of the particular sale or sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 chests, and the Agents of the French Government must make requisition specifying the quantity of Opium required by them at any particular sale within thirty days from the advertisement of such intended sale; provided, however, that the Agents of the French Government may make such requisition for the whole quantity within thirty days from the publication of this Notification. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 40,000 Chests of Behar and Benares, as above estimated, will be brought to sale in the usual manner, and if they shall

make application for quantity of Opium to be delivered to them out of the quantity advertised for sale at each or any of the twelve sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Government of Bengal reserves to itself the right of disposing of the Opium which the French authorities may so fail to pay for, either by increasing the quantity reserved at the sale next ensuing the date of payment, or by selling it at a sale to be held expressly for the purpose.

Article of the Convention above referred to.—

1. THE external roofs and walls of any hut or any other building whatever about to be erected or renewed in or near any public highway shall not be made of grass, leaves, mats, or any other inflammable material.

2. The Municipal Commissioners may cause to be put up or painted in a conspicuous part of any house, building, wall or place in any highway the name by which such highway is to be known; and no person shall destroy, pull down, or deface any such name, or put up any name different from that put up by order of the Commissioners.

3. The Municipal Commissioners may fix a number in a conspicuous place on the outside of any house or building, or at the entrance of the enclosure thereof fronting any highway, and no person shall destroy, pull down, or deface any such number.

4. No person shall let loose, or cause or allow to be let loose, or allow to get loose, any diseased or worn out animal into any highway, or into any place whence such animal can escape into any highway.

5. Every person within whose premises any animal may die shall, within two hours after its death, either remove at his own expense the carcass to such place as may be set apart by the Municipal Commissioners for the reception of such carcasses, or report its death to the Conservancy Overseer of the Division within which such premises may be situated, and in such latter case shall pay to the said Overseer the expense of removing the carcass at such rate as the Commissioners may determine; and in cases where the said person is not the owner of the animal, and the owner is known, the owner shall alone be responsible for the payment of such expense, and such expense shall be recoverable as a debt due to the Commissioners.

6. No person, after warning from the Municipal Commissioners, shall allow any pigs to be at large, or keep them otherwise than in closed pens.

7. No person shall suffer any offensive matter from any manufactory or place of business to flow into any river, nullah, canal, tank, or surface drain.

8. All dust, dirt, and rubbish of every kind, the removal of which is undertaken by the Municipal Commissioners, shall be deposited on the side of the road, and not more than ten yards from the entrance of the premises from which it has come, every morning between the hours of 4 A. M. and 8 A. M.

10. All dirt, dust, ashes, rubbish, sewerage, soil, dung, and filth collected from the highways, houses, privies, sewers, and cesspools by the Municipal Commissioners shall be the property of the Commissioners, who shall have power to sell or dispose of the same as they may think proper, and the money arising from the sale thereof shall be appropriated to the purposes of the District Municipal Improvement Act.

11. No person shall in any way obstruct, or allow to be obstructed, any of the lanes, walks, bye-ways, or other thoroughfares in any bazaar by exposing for sale or accumulating, or allowing to be exposed for sale or to be accumulated, on any such lane, walk, bye-way, or thoroughfare any package or any other materials whatever.
